# 1 INTRODUCTION

Thesis Management and Evaluation System (THEMES) version 1.0.0 is a system for the Student, Supervisor, Faculty and Senate to monitor the status of thesis proposal from its initial stage toward to the end. It is not only use by the respective personnel to control and manage the quality of the thesis to meet the university standard but it also can be used to keep track all the communication between the student and university. If required the history can be retrieved to view the completed work or its progress.

The system contains the main modules which are Thesis Proposal Submission and Approval, Monthly Progress Report Review, Thesis Proposal Defense, Thesis Work Completion, Thesis Evaluation/Viva and Senate Endorsement.

## 1.1 Scope

The manual will guide the student on how to use the system in every stages starting from the thesis proposal submission, monthly report submission, defence proposal submission, work completion submission, viva evaluation and senate endorsement.

The manual is structured into the following sections:

Manual Section	Description
Prerequisite	This section describes the actions or steps shall be done and in place first before the required steps can be done.
Steps	This section describes the steps to follow in order to yield the result for the desired function.
Next Action	This section describes the expected next steps to be followed once the above steps have been successfully performed.
Warning	This section describes the expected warning triggered by the system if the steps performed violate the business rule validation.
Note	This section describes the additional information which may be useful to the user while using the system.

Figure 1: Manual Structure.

## ***1.2 System Requirement***

### **1.2.1 URL**

The system is available over the internet via the URL <http://themes.msu.edu.my> and accessible only by the registered and authorized postgraduate student and respective MSU's staff.

### **1.2.2 Internet Browser**

It is recommended to run the system on the following internet browser

- Mozilla Firefox version 35 and above
- Microsoft Internet Explorer version 8 and above

### **1.2.3 User Access**

The postgraduate students who have been successfully registered in Campus Management System (CMS) aka KLAS2 will be automatically become THEMES user or otherwise the student needs to check with the CMS admin on his/her credential status. By default the Student Matrix Number will be the user id to access the THEMES system.

The MSU's staff that has been identified as reviewer, supervisor or co-supervisor can access the THEMES system once the THEMES admin registered him/her into the system. By default Employee ID will be the user id to access the THEMES system.

## ***1.3 Screen Design***

The THEMES system screen has been design into the 5 sections namely section A, B, C, D and E.

Section A to contain the THEMES **Header** in which it contains the name of the system, the user name and Logout button

Section B to contain the THEMES **Top Panel** in which it contains the list of functions for the system.

Section C to contain the THEMES **Left Panel** in which it contains the list of sub-functions resulting from the selection in Section B.

Section D to contain the THEMES **Working Area** in which it shows the page for user respond resulting from the selection in Section C.

Section E to contain the THEMES **Footer** in which it contains the university name and its copyright.
